Clayton W. Bedford, Chief Chemist of the Goodrich Rubber Co. of Akron, died from a blood clot following an operation, at 6 a. m., June 19th.

Mr. Bedford was one of the best known stamp collectors in America, a leading authority on United States Stamps, member of all prominent stamp clubs and a tireless worker in the ranks of Philatelia.

Prominent as a member of the Rubber City Stamp Club of Akron, where among his friends he was loved by all who knew him.

Burial was at Akron, June 21st.

use in Georgia during the balance of the Centennial year which opened February 12, and will close on Thanksgiving day. The original issue of stamps was approximately 50 million.

Used Goya Stamps

Dear Mr. Linn:

It has now been some months since I wrote an article on Goya for your magazine. I was quite surprised a few days ago when a letter arrived from Spain where one of your readers detected an error in the story.

every respect with exception of the reference to semi-postal in regard to the airstamp. I think you are mistaken as those stamps have been used for all kinds of airmail letters to every part of the world and to support this statement I am enclosing eight covers, all cancelled with the special postmark of airmail and duly flown."

And he is quite correct. The word semi-postal was a slip and not intentional. Those stamps are listed in the Standard catalogue as airmails.

No amount of argument, however, will convince most serious collectors

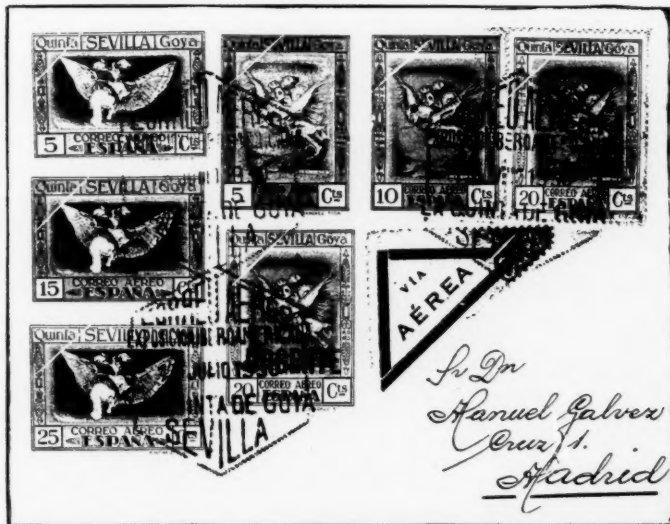

Canada is also expecting to cash in on the Balbo flight from Italy to Chicago. The Canadian Postoffice Department sent out notices about the middle of June announcing that the planes from Italy would land at Shediac, New Brunswick, and at Saint Hubert Airfield in Montreal about June 25th. Mail will be picked up at these points to be flown to Chicago and thence to any address in the United States or Canada. Postage on letters is \$1.45 Canadian postage for approximately 5 grammes which is about one-sixth of an ounce.

On the return flight the planes will land at Shediac, New Brunswick, before taking off for Europe. Mail to Europe will be carried at \$3.20 for 5 grammes. You can get in on this event by sending your covers with remittance to Postmaster at Shediac. Mark your letters "Via Italian Cruise of General Balbo to Italy." Covers may be sent now and will be held pending return trip of the planes.

The Georgia Bicentennial Commission has petitioned the postoffice department for an additional issue of 100 million Oglethorpe stamps for

He said in part: "I have read with great interest your article about Goya, published in Linn's Weekly Stamp News. It is correct in nearly

dealers handled most of the covers. In fact, Scott does not place a value upon either used Goya stamps or Goya covers so far as the general catalogue is concerned. With this letter I send you one of the Goya covers received from Spain in order that your readers may see the stamps as they appeared on cover.

Sincerely,
Don Houseworth.

A bill has been introduced in Congress for the issuance in 1935 of a stamp to commemorate the 300th anniversary of the founding of Connecticut.

Filatelist Fred Luther Kline of Kent, Ohio, has submitted blocks of four of both the 1c and 3c Century of Progress stamps precancelled Kent, Ohio. This is the first complete set of these Precancels that we have noted.

The envelope bringing the above information was one of McIntyre's famous pictorial covers and shows the little brown "Henn an" the results of its first effort in picking A.P.S. Presidential timber. The result, an egg bearing the inscription "Roscoe B. Martin, President A.P.S."

Return Flight of Balbos' Italian Air Armada

Second Asst. Postmaster General,
Washington, June 15, 1933.

The Italian Government has agreed to accept for dispatch by the return flight of the Italian air cruise commanded by General Italo Balbo, Italian Minister for Aeronautics, which is to start in the near future from Ortebello, Italy, on a round trip to the United States over the following route:

Ortebello to Amsterdam, Netherlands; Londonderry, North Ireland; Reykjavik, Iceland; Cartwright, Labrador; Shediak, New Brunswick, Canada; Montreal, Canada; Chicago, Ill.; New York, N. Y.; Shediak; Shoal Harbor, Newfoundland; Valentia, Irish Free State; Roma, Italy.

Unregistered letters weighing not over one-half ounce each for delivery in Newfoundland, Canada, or Europe, at the following rates:

\$1.70 for each letter for delivery in Newfoundland or Canada.

\$3.60 for each letter for delivery in Europe.

These rates include the postage and fee for air dispatch, and must be fully prepaid by means of United States stamps affixed to each letter.

It is to be noted that while the rates above stated are per letter not exceeding one-half ounce in weight, it is desired to keep the weight of each letter as near 5 grams (1/6 ounce) as possible in order to reduce the weight to be carried by the planes. It may therefore be explained to senders that a small Government stamped envelope weighs a little over 3 grams, and if these or similar envelopes are used, if a small sheet of thin paper is used for any message desired to be sent, the weight can be kept near 5 grams. It will be appreciated if senders will co-operate in this way.

Letters for this dispatch must show, in the upper left-hand corner, the return card of the sender, that is, his name and complete address, and must be marked diagonally across the envelope between the address and the return card as follows: "By Italian Air Cruise to Newfoundland (or Canada, or Europe)", and be mailed in regular course under an outer envelope to the postmaster at Chicago or the postmaster at New York, to be held pending the departure of the planes from those cities on the east-bound flight.

Special cachets will be furnished to the postmasters at Chicago and at New York for use on all letters sent by this flight.

If the return flight should not be made, the letters sent to New York and Chicago will be returned to the senders.

W. W. HOWES,
Second Asst. Postmaster General.

K. M. GIERHART, BALTIMORE, OHIO

M. J. Romf of Cambridge, Wis., submits Bicentennials of the four low values from the home town in a hand electro U-121. Also several values of the new series postage dues. Also a 1c ord. from the new town of Lake Mills, Wis., U-121. Our own Cambridge, O. has precancelled the three low values and the 7c of the Bi-Cent. issue in the same type as above.

Geo. M. Hale of New Haven, Conn., submits a 1c Chicago stamp from Chicago in the down position and in U-11. I think that U-11 type was obsolete, the double line type U-14 having taken its place.

Edward Wolske of Benton Harbor, Mich., submits the not often seen 17c and 25c from Bridgman, Mich., reading up and in U-74 type. I have also seen the 5c Olympic from DeWitt, Ark., in U-82 type.

Hard to get 1922 issue perf. 11 stamps are 1c values from either Columbus or Cincinnati, Ohio. I think the Cincy stamp is harder to get in good condition because most of them come with perforated initials which make them undesirable. Cleveland has never used a 1c 1922 issue perf. 11 stamp on any type.

My old friend Frank Barber of Asheville, N. C., submits a Newburgh from same place, reading up in the usual U-12 type. A very pretty stamp.

Is He Trying To Chisle In?

B. R. McIntyre of Warren, Ohio, writes relative to the proposed stamp for the Western Reserve 150th Anniversary, for which a bill has been introduced in Congress. McIntyre states that Warren, Ohio, was the first capital of this territory and in event such a stamp is issued, an effort is being made to have Warren as one of the first day cities.

Linn's Five Year Club

Members of Linn's Five Year Club should get active during the next two months prior to September First, at which time the Club will be declared closed and the subscription rate to this paper advanced to 50c per year. Up to that date five year subscriptions are accepted for one dollar. The three members of the five year club who produce the largest number of new subscriptions before September 1st, will be given prizes of \$50, \$30 and \$20 respectively.

Already some stamp clubs have actively entered this contest pooling their subscriptions through their club or through the name of a member of their club with the thought of winning one of these attractive cash prizes for their club treasury. It is not yet too late for your club to get into this contest and win one of the prizes.

The standing of the leading contestants to date, showing the actual number of subscriptions to their credit is as follows:

Fred C. Mudgett, Santa Ana, Calif., 14; Carrie E. Johnson, Washington, D. C., 12; T. B. Hayward, Harmony Grove, Md., 8; W. L. Siddle, Birmingham, Ala., 7; Ralph Spiker, New Philadelphia, Ohio, 6; Frank E. Johnson, Morgantown, N. C., 6; Thomas Houghton, Methuen, Mass., 6; J. H. Conzelman, Syracuse, N. Y., 6; Orville P. Tucker (240), Mrs. Edna R. Peebles (430), Lois Chenoweth (1766), and Green Bay Stamp Club (1896) each have five to their credit.

See how easy it is to win one of these big cash prizes. You still have two full months to go and a little hustling on your part may earn you a nice bit of ready cash.

Until the close of this contest, subscriptions will be accepted without being sent on one of the regular forms, all you need do is send the subscription with name and address and mention your club number in sending same. Full credit will be given.

RAY SHEPARD, . . . 1529 DUXBERRY AVE., . . . COLUMBUS, OHIO

ARGENTINE REPUBLIC—Officials. "M. O. P." on the coil type, in Roman letters, on the design without period after the value:

A104—3c. green
"—10c. dull green

Same as above, but with the overprint "M. H."

A104—3c. green

An error in our chronicle of March 4th has been called to our attention. The warning should have called collectors' attention to be on their guard against artificial changes in color of the original PRINTING, not overprint. We are informed that there are some fakes in existence, but that they differ greatly from the real LILAC color.

Further information concerning the projected new issue for the Argentine, of which we have noted on two or three previous occasions, is to the effect that bids for engraving or producing this new series have been solicited from engravers and printers in London, Berlin, Paris and Rome. The idea being to give this country, this time, a set that is worthy of Argentine's importance. The delay in bringing this new set to the fore will, it is hoped, enhance its beauty and philatelic value.

(H. G. Spanton)

AUSTRIA—Another Rocket stamp, having the same status as those chronicled March 4th, was issued March 16th. The stamp this time was an 8gr. green. The issue was limited to 500 copies, of which 283 were used on small mail carried on that flight.

(The Airpost Journal)

CANADA—Proposals have been placed before the Canadian Postmaster-General that a special stamp should be issued in connection with this summer's World's Grain Exhibition and Conference in Regina.

(Gibbons' Stamp Monthly)

CHILE—Air Mail Stamp. The under-mentioned stamp differs from Scott's #614, in that it is on thick watermarked paper. The previous issue is on much thinner paper and is in a deeper shade of green:

A43—1p. green & black (blue ovpt.)

(Gibbons' Supplement)

DOMINICAN REPUBLIC—Almost a year ago, we recorded a change in color in the 10c. Air Mail Stamp and now we learn that again it has been changed. Fifty thousand copies were ordered printed and delivery has already been made.

EGYPT—The inevitable commemorative set is being prepared for release on the occasion of the next year's convention of the Universal Postal Union, in Cairo. The denominations are to be: 5, 10, 13, 20 and 40 millimes, of which 200,000 copies of each will be printed and 50, 100, 200, 500 mils., and 1E., of which 20,000 each will be printed. All will bear the likeness of Ismail Pasha.

(A. F. Turner, London, Eng.)

FRANCE—Another in the "Peace" design:

A45—30c. green

This leaves just the 65c. yet to appear to complete the set.

(R. Roberts)

GERMANY—It is proposed to issue special stamps on the occasion of the Olympic Games to be held in Berlin in 1936! Germany believes in preparing far enough in advance!

(A. F. Turner)

HONDURAS—The set of four, heralded in our notes of March 11th, have appeared. All bear the portraits of Pres. A. Carras and Vice-Pres. Williams, in twin medallions, above the date "1 de Febrero, 1933". Engraved and recess printed in traverse rectangular format:

2c. carmine
6c. green
10c. blue
15c. orange

(A. F. Turner)

INDIA—Another value has appeared in tete bête form, presumably from the booklets described in our notes of February 18th:

2a. bright mauve (Nasik print)

(R. Roberts)

ITALIAN COLONIES—The set chronicled April 22nd under Eritrea, are for use throughout the Italian Colonies and not exclusively employed for Eritrea.

(Gibbons' Stamp Monthly)

LATVIA—African Flight Stamps. Special stamps, consisting of the imperf. triangular air issue, overprinted "LATVIJA—AFRIKA" were due for issue at the end of May, to commemorate a good-will flight to Gambia: 5,000 each of the 10s., 15s. and 25s.; 2,500 each of the 50s. and 10s. and 1L on 15s.

Addition to the current set, wmk. swastika; perf. 11:

A11—5 lat. pale green

(Philatelic Magazine)

MEXICO—Official Stamps. Overprinted as Scott's #1742; Perf. 12:

A87—50c. bistre-brown (hik)

(Gibbons' Supplement)

MOZAMBIQUE—Another change of color! Value in black, perf. 14:

SP10—40c. carmine & yellow-brown

(Gibbons Supplement)

NETHERLANDS—The Peace stamp has appeared. It shows the figure of a dove atop the broken sword, enclosed by two triangles interlaced:

12½c. bright blue

(A. F. Turner)

NEW ZEALAND—More detailed information concerning our notes of December 31st, of last year, concerning the hand-made post-

age dues, is now at hand. The regulations governing the afore-mentioned practice, refer only to sub-postmasters at the smaller post offices, where even a moderate run on postage due stamps may easily cause a temporary shortage. In case of the larger post offices, the instructions are that the fee must be collected in cash and a receipt given for it.

(Gibbons' Stamp Monthly)

PAPUA—We are informed that the overprinted Official stamps are now obsolete. This evidently means that Papua has followed Australia in the abandonment of special stamps for governmental uses and that no more will be issued.

(Gibbons' Stamp Monthly)

PARAGUAY—New issue of one million copies, out about May 23rd; Overprinted "C" in red; unwmk. perf. 12:

A47—50c. light green ("C")

(H. G. Spanton)

REUNION—Provisionals. Scott's #113 & #114, surcharged in large sans serif figures, same as Scott's #90, in black:

SENSATION MIXTURE

We were recently the lucky purchasers of all the odd boxes of stamps, stock books, approval books, sets, odd packets, old bank mixtures, etc., from London's oldest established stamp shop.

The proprietor having recently retired, much of it has lain untouched for years. We came across a big parcel of good class and rare stamps that had probably been put aside for eventual sorting and cataloging, thousands of good quality items that price 15c, 30c, 50c., from London's oldest established stamp shop.

We are not sorting or classifying at all. You may get 6 or 7 \$5 stamps in a \$3 lot. Apart from the rare stamps this mixture is remarkable for its unusual variety, and will give many hours of profitable pleasure to any dealer or collector to sort.

The whole lot has been mixed together and is guaranteed unpicker.

Arnold Blankman -- The Man Behind The Arbern Stamp Co.

A person writing an autobiography, is always in a quandary as to how to begin, but as we have to start somewhere, here goes.

Although only 25 years of age, I left a responsible position traveling throughout the U. S. for a large wholesaler, and entered the stamp business. This was an idea which I had harbored for a long time, and as I thought that we were then at the end of the depression, it was as good

a time as any to go into the stamp business. I am very happy to say that my theory has been proven right, both to myself and to my father, who had enough confidence in me and my philatelic ability, to back me.

I have so much confidence in the future of the philatelic business, that I have yet to let a person walk out of my place of business, who has quantities of stamps to sell at a reasonable price. At the present time, I am buying large quantities of U. S. stamps and have accumulated such a large stock, that in the beginning of September, I expect to have ready, one of the largest wholesale list of U. S. stamps.

It gives me great pleasure to say, that at the present writing, the results which I received from my ads in "Linn's Weekly Stamp News" were so gratifying, that I expect to sign a yearly contract. This proves that Linn's is not just another stamp magazine but a publication which is read by 100% active philatelists.

I wish to thank Linn's for the opportunity they have given me to meet so many of my old friends and friends to be, through the medium of their

columns and fervently hope that our associations in the future will be as friendly, and as helpful as it has been in the past.

PAY CASH AND PAY LESS One of the contributing factors of the late depression was the insane belief that unlimited credit could be offered and also accepted. Eventually, that situation so gummed up the works that no one knew how to get out of the hole into which they had jumped. Losses multiplied and many of them had to be written off.

We have always been great believers in a Cash Business, in so far as possible. Credit and interest eat up huge sums of money every year for which they produce nothing, they are waste just as any other commodity might be wasted.

The great bulk of the stamp dealers have always been of a very high class of men. We know that a large number of these people will approve of the plans we have adopted for advertising because they will readily grasp the idea of saving 15 to 25% by paying cash.

1c 1c 1c 1c 1c 1c 1c 1c 1c 1c

Thousands of varieties of first class stamps to choose from at ONE CENT EACH, regardless of catalog value. Many high values, many late issues, many of the big pretty ones—attractively arranged in booklets of 100. Fine premium if you purchase the entire booklet. NO JUNK included. (No United States in these booklets). LOOK! Packet of 50 stamps from 50 different countries for only 1c to those who send for the 1c booklets on approval.

CALUMET STAMP CO.
Desk L, Box 1217 Gary, Ind.

We believe that we can save money for every dealer with our new plan as well as save money, eliminate losses and save time for ourselves. It is with this thought that we have adopted this new plan which may seem radical to some, yet the radical ideas of a couple years ago are being rapidly made a part of our form of Government and should prosper all of us.

New Contract forms and rate cards are now ready. Ask for copies. If there is anything not clear we will be glad to explain it and solicit inquiries from everyone.

CEDAR POINT STAMP MEET

Mr. O. R. Michel, secretary of the Sandusky Stamp Club has been making an extensive trip throughout Ohio, Indiana, Michigan, Kentucky, West Virginia, New York State and other points in the interest of the big Philatelic Exposition at Cedar Point, July 27 to 30th. On June 16th he appeared before the Columbus Philatelic Club where more than 80 stamp collectors were in attendance and explained the Exposition. This big event is going to be about the biggest stamp show that has ever been held in America and whatever else you plan for this summer, do not overlook the fact that you can combine a wonderful vacation at a great summer resort and bathing beach with four days of stamp festivities that will make you happy that you were there.

IF YOU HAVE NOT YET PUT your name on our Five Year Club you should do so at once, before you forget it. Five Years for \$1.00. On September 1st, the rate goes to 50c the year. Save money by doing it now.

AN UNSOLICITED TESTIMONIAL

—a trial will convince you that what this dealer states is true. "Permit the writer to state that our advt. of May 6th for one page was the most successful we ever had in your magazine. Replies were received from practically every state in the Union, the advt. took so well that even at this late date (June 12) we are receiving orders for the material then advertised. We wish to continue our advertising again in fair volume after the warm weather, and wish to thank you and that portion of your staff that is responsible for the neatness of the arrangement of the advt." Lackawanna Stamp Co.

Golfin' In The Rain

The "Bulletin" of the Printing Arts Association of Columbus has the following to say of the Editor of Linn's Weekly Stamp News.

"For 27 holes thru rain and soaked ground 'Joe' Hanson and 'Geo.' Linn

played and escaped the ravages of Pneumonia only through playing the nineteenth hole in even par figures. Prizes were awarded Joe Hanson and George Linn for being the craziest Golfers, having played 27 holes in the rain."

C. C. WEBER, CLEVELAND, OHIO
5008 Bridge Avenue

June 19th to the 25th, we forget stamps for a week unless there are some buro collectors in Vermilion, Ohio. Yea, verily we jump into some very old clothes and get back to nature for seven days. So if the answers do not appear as promptly as usual do not blame your mailman. We are vacationing.

A surprise airmail letter brings us our June Bureau Print Gazette. The second issue by Mr. Bullard. Plenty of meaty reading for buro print collectors with a splendid page of Frisco plate breaks a contribution by Mr. Truxton Booth. A real issue of a real paper for buro collectors.

Page 388 of the June 10th issue of "STAMPS" we find Stephen Rich telling the world why Bureau Prints are not the worst things in the world to collect. Look it up.

Chas. Metz supplies us with a copy of the Grand Rapids old type 3c coil without period. This is No. 2 we have seen over a period of five years. Also another novelty an old type perf ten Philadelphia (left line end stamp) with the overprint plenty on the selvage. Another one of those nice off center overprints horizontally.

Late news from Dr. Mitchell advises a two weeks' fishing trip up in Canada. If the catalog editor can catch fish like he does new issues the party will surely eat a plenty. Good luck, Doctor.

Various spacings on buro blocks and vertical strips form an interesting sideline and according to the Buro Print Gazette one finds variations of from 9.5 m/m to 13.2 m/m. You can use the cheaper buros and make a nice showing.

"Stamps", advises Dr. Mitchell has a collection of 60 odd paste up pairs or strips. We are guilty of not reporting our Athol 1c coil paste up and we hope Mr. Rotnem sees this and adds it to his list.

We have previously spoken of a shift in the Boston B11 ordinaries. They sure come slow but thanks to Henry Perlsh of Far Rockaway we have just added the 1½ FV value. So ye collectors who go for these will have another to watch out for.

Once again to those collectors whose postage we hold for Hoover Bros. Buro Booklets. Keep faith, for you will get 'em as soon as we do.

A Stamp From Roosevelt

The deep blue portrait of King Victor Emmanuel in the 1929 issue of Italy may be just Scott's No. 223 to most collectors but to Vonnice Butner, Highland, Kan., it will ever be the President's Stamp. And there's a mighty good reason.

Miss Butner, in her early twenties, has known so much illness during the past ten years that one wonders at her enthusiasm for education. Despite her handicaps she has studied correspondence courses from the University of Kansas and uses commemorative stamps to suggest new fields of study. Cachets, too, provide her with many ideas and she collects them from far and wide.

When Franklin D. Roosevelt was elected President of the United States last fall, Miss Butner sent congratulations. A good many thousands of others also sent best wishes. Mr. Roosevelt was plunged into a whirlpool of problems such as never faced an American before. Yet he found time to prevent a Kansas girl from being disappointed. Not only did he make certain that her letter was answered but because she said she collected stamps, too, he sent her a mint copy of Scott's No. 223.

Of course, Miss Butner had to write to thank the new president for his generosity and she mentioned a desire to possess his photograph. One would have thought that the President had devoted enough attention to one citizen. But no. He sent the photograph and it was autographed. Now photograph and stamp repose behind the same glass. The President will never know how many happy moments he has provided for that Kansas girl.

Christmas Seals and Charity Stamps

A Monthly Department

Edited by
A.W. C. BRUMFIELD

99 W. Pratt St. Indianapolis, Ind.

Scott has reprinted their check list of Christmas Seals in their new supplementary catalog, which also lists U. S. Locals, Official Seals, Match and Medicine, etc. This catalog has not been reprinted for quite a long time until this year. Very few changes in the Christmas Seals, except a downward scaling in price of some of the older issues. I note that No. 61, 1931 (first plate) is listed at 5c each and I have a great curiosity as to where they can be obtained at this price. I believe they are worthy of a much higher price as no one seems to have any quantity of them.

C. A. Paige of Grand Rapids notes that on the Edwards and Deutsch printing of the 1932 seals there is a broken "M" in "Merry" on the 18th seal. This is a constant flaw.

From Ludwig Hummel, in Austria, comes his catalog of Tuberculosis seals of the world. Very poorly mimeographed on different sizes of paper and not stapled or bound, still it gives quite a good listing of the foreign seals. It is written in French, German and English and I believe it will be of great assistance to the seal collector. He has listed nearly 1000 Antitubercular seals from practically all countries that have issued them. I can not agree with his inclusion of the Iceland seals as most of us do not consider them Antitubercular but only child welfare.

From Dick Green arrived the Tournier and Jeanson catalog of the Seals commemorating Philatelic events. Very nicely printed and altho in French can be easily understood by the English reader. It also lists postage and semi-postal stamps commemorating Philatelic events. Illustrated with a beautiful page of plates.

That Wright Memorial Flight

As was predicted in this paper a few weeks ago the announced flight from Dayton, Ohio, advertised under the name of Harry G. Price also Wright Memorial Committee, looks like another one of those things where the collector puts up his money and the promoters "gyp" him out of it, at least we have no information from anyone who invested in these prom-

ised covers, that their money has been refunded.

Harry G. Price of The Price Brothers Company, Dayton, Ohio, was represented to us as being and he himself told us that he was the Financial backer of the flight. Mr. Price is financially responsible, he has a reputable standing in Dayton but denies any responsibility for the safety of the money of anyone who remitted to him or his partner and business associate, Chester G. Hinkle.

Letters addressed to the Committee at their last known address come back marked refused. We have been unable to locate Hinkle and we have been unable to learn of anyone who has had money refunded to them. The original and first advertisements in this paper directed that the money be sent Harry G. Price.

We now wish to hear from everyone who made remittance either to Price or to the Committee and especially do we want to hear from anyone who wrote a check payable to Price. If anyone has such a check which has been cashed and returned to them after being endorsed by Price, we will be very glad to have them submit that check to us for evidence.

At the same time, while Hinkle can not be reached, we suggest that every person file complaint with the U. S. Postal Inspector, c/o Postmaster, Dayton, Ohio, naming both Harry G. Price and Chester Hinkle as parties to whom their remittance was made. We would also suggest that you address a letter direct to Price c/o Price Brothers Company, Dayton, Ohio, and demand refund of your money.

UNITED STATES

Recent wanderings have brought to light a trunkful of U. S. stamps richly represented in old issues, high values, imperfs., and other attractive items. The stamps are all tied in bundles and are positively unsorted. We split a few bundles and found stamps over seventy years old some of which registered a high catalogue value. An advantageous purchase enables us to offer these stamps in bundles at 1000 for a dollar. We advise you to take advantage of this rare opportunity to enrich your U. S. collection now as our supply may not last long at this price. Remittance in cash or money order preferred.

BROADWAY CHATTER

By BI STANDER

Maybe the King Kong of Kauliflowers, otherwise known as Max Baer, of Livermore, California, the conqueror of Schmelling, will take up collecting stamps. He seems to be in for a collection of law suits as were Dempsey, Tunney and Schmelling.

We were pleasurably surprised to see the interest shown in our puzzle department widow joke. This time we will give an easy one. We know of a vaudeville performer and stamp collector who was a contortionist, capable of sticking out his tongue and touching his ear. If any of our readers wish to try this stunt we would suggest a ballroom, but if successful please do not write the editor as he is a busy man just now and he wants to get the paper out on time, as always.

We'll give another one. If you think you have the right guess postpone the answer as we threaten the right solution in next week's "Linn's". The Question: What has four legs and eats spaghetti?

The Grossman Stamp Co. of 102 West 42nd Street takes us to task for printing a squib relative to 10% rebate coupons on purchases of a certain amount. As we stated before we have studiously avoided trying to hurt anybody in the trade in any way. As a matter of fact the company we had in mind was NOT the Grossman Stamp Company, of whom we have the highest respect.

We have before us a used copy of the 1.50 Peso stamp of Paraguay showing a map of the Chaco section that according to Paraguay is in dispute. The stamp in question is a striking one. If this keeps up collections will soon be started of stamps having to do with boundary disputes of the nations.

Hot weather suggestion. It should be very easy for stamp collectors to stick to their stamps this summer.

The photo showing W. C. Henry, the well known stamp dealer of Boston, beside his auto which was covered with stamps, as depicted in "Linn's" of June 10th. The next thing we'll see is sandwich man with the familiar boards on front and back covered with stamps and this legend: "Go to Blank's Stamp Shop for your Goyas."
